

# Robyn Santor, NP

## Additional Background

Robyn Santor joined the staff of St. Albans Primary Care as a family nurse practitioner in 2022. A native to Vermont, Robyn attended the University of Vermont (UVM) for her undergraduate studies and received her BS in Community and International Development in 2006. After many years spent working in the field of animal welfare and behavior, she returned to UVM and graduated with her Doctor of Nursing Practice in 2022. Prior to joining the St. Albans Primary Care team, she also worked as an inpatient RN on a general medicine and telemetry unit at the University of Vermont Medical Center.

During her free time, she enjoys spending time with her family, gardening, live music, and hiking with her dog.
